METACAD 2025

TRANSFORMATIVE ADVANCEMENT IN METABOLIC HEALTH

22- 23 FEBRAUARY 2025

Mussoorie - Uttarakhand

Welcome Message

Greetings from the METACAD FOUNDATION

We are delighted to invite you for the **METACAD 2025** conference to be held from the **22-23rd February 2025** at Mussoorie, Uttarakhand

The theme for this conference is **Transformative Advancement in Metabolic Health**. It refers to significant breakthroughs or innovations that fundamentally change our understanding or treatment of metabolic health issues. This conference aims to provide a platform for sharing innovative ideas, discussing new research findings, and fostering collaborations among medical professionals.

Your participation in the conference will offer an excellent opportunity to showcase your principles, ideas, and innovations to a diverse audience of healthcare professionals. Moreover, it will facilitate networking and collaboration with experts from various organizations, including governmental and non-governmental bodies.

We look forward to your esteemed presence at the METACAD 2025, where we can contribute to advancing patient care and promoting excellence in metabolism field.
